## **NOTICE**

### **Scheduled INTEGRA<sup>®</sup> Maintenance**

As the Bermuda Monetary Authority (Authority or BMA) continues to pursue its strategic objectives and mandate fulfilment, maintaining the effectiveness and efficiency of its external-facing processes remains a priority. INTEGRA<sup>®</sup>, the Authority's integrated business platform, is a key component of this, and continued rollouts of this project and enhancements to its existing framework will require occasional downtime. Please note that the BMA's INTEGRA<sup>®</sup> e-filing portal will be unavailable due to scheduled maintenance from approximately 6 p.m. on Friday, 8 October 2021 to 6 p.m. on Saturday, 9 October 2021.

If you have any questions, please e-mail [integra@bma.bm](mailto:integra@bma.bm).

Thank you for your cooperation.
