

## Report of Independent Auditors

The Board of Directors  
Split Rock Insurance, Ltd.

### Opinions

We have audited the accompanying condensed financial statements of Split Rock Insurance, Ltd. (the “Company”), which comprise the condensed balance sheets and condensed statements of capital and surplus as of December 31, 2022 and 2021, and the related condensed statements of income for the years then ended, including the related notes (collectively referred to as the “condensed financial statements”).

#### *Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying condensed financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations for the years then ended in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to condensed general purpose financial statements (the “Legislation”).

#### *Adverse Opinion on International Financial Reporting Standards*

In our opinion, because of the significance of the matter discussed in the Basis for adverse opinion on International Financial Reporting Standards section of our report, the accompanying condensed financial statements do not present fairly, in accordance with International Financial Reporting Standards, the financial position of the Company as of December 31, 2022 and 2021, or the results of its operations for the years then ended.

### Basis of Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors’ responsibilities for the audit of the condensed financial statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

*Reference: Report of Independent Auditors on the condensed financial statements of Split Rock Insurance, Ltd. as at December 31, 2022 and for the year then ended.*

### *Basis for Adverse Opinion on International Financial Reporting Standards*

As described in Note 3 to the condensed financial statements, the condensed financial statements are prepared by the Company on the basis of the financial reporting provisions of the Legislation, which is a basis of accounting other than International Financial Reporting Standards, to meet the requirements of the Bermuda Monetary Authority.

The effects on the condensed financial statements of the variances between the regulatory basis of accounting described in Note 3 and International Financial Reporting Standards, although not reasonably determinable, are presumed to be material and pervasive.

### **Responsibilities of Management for the Condensed Financial Statements**

Management is responsible for the preparation and fair presentation of the condensed financial statements in accordance with the financial reporting provisions of the Legislation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the condensed financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the condensed financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the condensed financial statements are available to be issued.

### **Auditors' Responsibilities for the Audit of the Condensed Financial Statements**

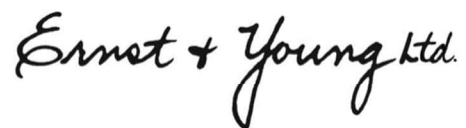

Our objectives are to obtain reasonable assurance about whether the condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the condensed financial statements.

*Reference: Report of Independent Auditors on the condensed financial statements of Split Rock Insurance, Ltd. as at December 31, 2022 and for the year then ended.*

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the condensed financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the condensed financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the condensed financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## NOTES TO CONDENSED GENERAL PURPOSE FINANCIAL STATEMENTS

Split Rock Insurance, Ltd.  
As at December 31, 2022  
(Expressed in thousands of United States Dollars)

### GENERAL NOTES TO THE FINANCIAL STATEMENTS

1. Split Rock Insurance, Ltd. (the “Company”) was incorporated under the laws of Bermuda on February 5, 2013 and is registered as a Class 3A insurer under the Bermuda Insurance Act 1978, amendments thereto and Related Regulations, (“the Act”). The Company is a wholly owned subsidiary of Intact Ventures Inc. The Company’s ultimate parent is Intact Financial Corporation (“IFC”). IFC is incorporated in Canada and is the largest provider of property and casualty insurance in Canada and a leading provider of specialty insurance in North America.
2. On August 1, 2013, the Company entered into a reinsurance agreement with Atlantic Specialty Insurance Company (“ASIC”), an indirect wholly owned subsidiary of IFC, to assume 20% quota share of ASIC specialty property and casualty net exposures. This agreement was not renewed upon its expiration at July 31, 2014.

On January 1, 2015 the Company entered into a new reinsurance agreement with ASIC in which the Company assumes 50% quota share of ASIC business. The 50% quota share agreement was renewed on January 1, 2016 and January 1, 2017. The Company did not renew the ASIC quota share reinsurance agreement on January 1, 2018.

On November 1, 2013, the Company entered into a reinsurance agreement with Star & Shield Insurance Exchange (“SSIE”), a US domiciled property and casualty insurance company, to assume 40% quota share of SSIE automobile liability and physical damage book of business. This agreement was not renewed upon its expiration on November 1, 2014. In June 2019 SSIE novated the reinsurance agreement to Peachtree Casualty Insurance Company.

On September 28, 2017, the Company entered into an adverse development cover (“ADC”) with Swiss Reinsurance America Corporation (“Swiss Re”) which covers net losses incurred in accident year 2016 and prior. The ADC provides protection up to \$200 million above net losses in excess of \$1.2 billion on the combined balance of ASIC and the Company at December 31, 2016.

On December 31, 2019 the Company entered into a retroactive reinsurance agreement effective December 31, 2019 whereby substantially all of the healthcare loss reserves on accident years 2017 and forward were ceded by way of a loss portfolio transfer. On July 1, 2020 the agreement was terminated and commuted.

### 3. **BASIS OF PRESENTATION**

The accompanying condensed financial statements have been prepared in conformity with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to Condensed General Purpose Financial Statements (the "Legislation"). The condensed general purpose financial statements are based upon accounting principles generally accepted under International Financial Reporting Standards (IFRS) but are in accordance with the reporting requirements of the Legislation, which varies in certain respects from IFRS. The more significant variances are as follows:

- A statement of cash flows is not included;
- A statement of comprehensive income is not included;
- The presentation and classification of financial statement line items is in accordance with Schedules IX and XI of the Insurance Account Rules 2016 may differ from the presentation and classification under IFRS; and
- The notes included in the condensed general purpose financial statements have been prepared in accordance with Schedule X of the Insurance Account Rules 2016 and exclude certain information required under IFRS.

#### Use of Estimates

The presentation of the financial statements in conformity with the financial reporting provisions of the Legislation requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements. The most significant items on the balance sheet that involve accounting estimates and actuarial determinants are reserves for losses and loss expenses and valuation of investments. The recorded amounts of revenues and expenses during the reporting period are based on information currently available, and actual results could differ from these estimates. Management believes the amounts recorded are reasonable.

### 4. **SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies are summarized as follows:

#### **Cash and cash equivalents**

Cash and cash equivalents include amounts due from banks, money market mutual funds, short-term securities with maturities of less than 90 days and commercial paper held in the ordinary course of business.

#### **Premium Income**

Premiums are earned on a pro rata basis over the terms of the policies. Premiums applicable to future periods, if any, are deferred as unearned premium in the balance sheet. Additional premiums reported by ceding companies are fully earned in the period when they are reported. The Company is assuming written premiums as they are earned.

#### **Commission Income**

Commissions are expensed as incurred.

4. **SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Losses and loss adjustment expenses**

The liability for losses and loss adjustment expenses represents estimates of the ultimate cost of all losses incurred but not paid through to the statement of financial position date. These estimates are continually reviewed and, as adjustments become necessary, such adjustments are reflected in current operations. Inherent in the estimates of losses are expected trends of frequency, severity and other factors that could vary significantly as claims are settled. Accordingly, ultimate losses could vary from the amounts provided in these financial statements. Any subsequent differences arising are recorded in the period in which they are determined.

**Investment Income**

Quoted investments are fixed maturity investments and are recorded at fair value.

Other unquoted investments are private equity funds and are recorded at fair value. Fair value is determined by receiving valuation statements based on the underlying investments of the funds.

Investment transactions are recorded on the trade date with balances pending settlement reflected in the condensed balance sheet as a component of sundry assets or sundry liabilities. Premiums and discounts on all fixed maturity investments are amortized and accreted to income over the anticipated life of the investment. Changes in unrealized investment gains or losses are recorded as change in unrealized appreciation (depreciation) of investments as a separate component of surplus. Realized investment gains or losses are included in the Condensed Statement of Profit or Loss and are derived using the specific identification method for determining the cost of investments sold. Interest income is recorded on the accrual basis. Dividends are recognized on the ex-dividend date.

**Foreign Currency Translation**

Foreign currency denominated assets and liabilities are translated at exchange rates in effect at the Condensed Statement of Financial Position date. Foreign currency revenues and expenses are translated at the exchange rates in effect at the date of the transaction. Exchange gains or losses are reflected in the Condensed Statement of Profit or Loss.
